from 1 to 4pm  
at the Damascus Trail Center**

Damascus has been selected to participate in the DRIVE Outdoor grant program by the Virginia Tourism Corporation (VTC) and will be awarded a \$20,000 grant for outdoor recreation development projects.

We are hosting a community workshop facilitated by the Virginia Tourism Corporation to gain public input on project priorities for this \$20,000 grant.

DRIVE Outdoor builds on the DRIVE 2.0 Statewide Strategic Plan with a goal of enhancing outdoor recreational development, assets, and entrepreneurial opportunities within Virginia.
