When you click on the link that says "Join Zoom Meeting", you will be asked to download Zoom software to your computer if you do not already have it. It is free and safe, and you do not need to set up an account to join the meeting.

If you'd like to install the software before the meeting you can download it at zoom.us (click on "Resources" in the top right corner and then "Download Zoom Client").

If you sign onto Zoom before 7 p.m. on September 24, you will be sent to a holding room. The official meeting room will be opened promptly at 7 p.m. and everyone will be invited in.

DURING THE MEETING

Your audio mic will be muted (to keep noises like barking dogs and cell phones to a minimum). You can post questions by going to “chat”, but --depending on the number of questions we have-- yours may not get asked.

PCs and phones show the chat button in different places. It may be under a ... (more options) button.

AFTER THE MEETING:

A recording of the forum will be posted on YouTube at LWV-WCVA, so you can send others to that site.

We also plan to air it on WEHC (90.7 FM). We will let you know when these become available.
